Note for orders.

Reference — Govt Proc^s —
No 4804-12 dt 2.6.1892.
cir. 61

With a view to make some definite arrangement in regard to the Contributions payable by the holders of Inam villages for the repairs done by Govt to tanks situated in Inam villages owing to the neglect on the part of the Inamdars to repair them & the consequent danger to the Govt tanks lying below as well as to tanks irrigating lands of Inam & Govt villages, the Dy Commrs of Districts were requested to submit statements giving the following particulars. —

(1) No of tanks in each Taluk irrigating lands of Govt and Inam villages jointly.

(2) Area, assessment, & nos of such lands.

(3) No of tanks in Inam villages supplying wa-

L.R. 180-11

to Govt tanks below.

(4) Area, assessment, rea of Inam lands irrigated under the Inam tanks. - (Headings (3)).

(5) Area & assessment of lands under Govt tanks situated below & above Inam tanks &

(6) Area, assessment, rea of lands in Inam villages, below which there are no Govt tanks, but above which there maybe Govt tanks supplying Inamdars' tanks.

(7) ~~Area~~ Area, assessment, rea of lands under Govt tanks above the Inamdars' tanks on which the latter depend for supply of water.

(8) Amount of contribution due by holders of Inam villages, on account of any repairs done by Govt.

2. A Consolidated Statement giving the above particulars, prepared from the materials furnished by the Dy Commrs, is herewith submitted, and the following is a brief Summary of the facts & figures furnished by them.

(13)

Bangalore Distt: - Up to Feb: 1894, D.CS no. 9308 9-2-94

there were 34 tanks irrigating 3510 acres-21 guntas of Govt land (X) assessed at Rs. 18,059/- and 9 A 31 - G 13 plus 11 K 6½ of Inam land bearing an assessment of Rs. 3,757. The proportionate quit-rent payable to Govt on the Inam lands cannot be ~~accurately~~ precisely stated, as it is not ascertainable in some cases. There were 146 Inam tanks, the extent of Inam lands irrigated under them being 4 A 272 - G 4 assessed at Rs. 15,818/- & the extent of lands under Govt tanks below & above such Inam tanks was 11 A 323 - G 36 assessed at Rs. 64 27 4/-. In the Bangalore Taluk, a contribution of Rs. 4,993 was stated to be due by one Ramaiya. whether this amount has since been recovered or not, remains to be ascertained. In the Channapatna Taluk two tanks (Inam) were being repaired by the D.P.W, but no Compensation had been settled. Further report seems necessary as to how the matter now sta.

(X) Includes Inam Inamdars.

& whether the contribution has been recovered -

Kolar District. - Up to December 1893, there were 47 tanks irrigating 3100-18 A G of Govt land assessed at 1845 Rs 7/, and 758-25 A G plus 62-19-6 3/4 k k g of Inam land bearing an assessment of 2193 Rs/. In some cases, the assessment & proportionate quit-rent of Inam lands have not been given. There were 101 Inam tanks irrigating 1841-31 A G of Inam land assessed at 7951 Rs (exclusive of the assessment on 52-20 A G of land in the Malur Taluk, which is not given). The area irrigated under the Govt tanks below & above the Inam tanks was 13,809-25 A G assessed at Rs. 66,269/-.

As regards Contribution, a sum of Rs. 9041 was due on account of Agraharakere in the Holali Jodi village, Kolar Taluk, out of which only Rs. 6,570-10-2 remained to be collected, for the recovery of which, the Jodi village was under the management

D.C's Dockets nos (11) 1981/517 and (12) 2243/579 & 10/12/93 & 5/1/94 respectively

of Govt. In the Malur Taluk, a Sum of Rs. 1000 was due by the holders of Bellur Jodi village on account of Varsapur Govt tank, out of which Rs. 942/15/8 had been collected. The Dy Commr stated that the balance had to be remitted under the orders of Govt. In the Bowringpet Taluk, a contribution of Rs. 750 was due by the Jodidar of Vadrahalli on account of his village tank, & the Dy Commr reported that the Jodidar refused to pay the amount on the ground that the Govt order remitting tank Contribution applied to his tank also.

Note Under the Standing orders, ⊗ the Compulsory levy of contribution in respect of tanks & other irrigation works costing less than Rs. 2,500/-, is waived in the case of Kandayan paying Ryots & Minor Inamdars. Whether these orders apply to holders of Inam villages, is a point for consideration & orders.

In the Mulbagal Taluk, a Sum of Rs. 624/-, was

⊗ (1) Pro. no. 1769-89 & 320-40 1-4 1892

(2) Pro no 5397-417 & 961-81 6.11.1894.

due by the Jodidar of Butkeri village on account of the Doddakere tank situated in the Jodi village; & the Dy Commr. stated that in June 1890, he had submitted to Govt, a notification for the sale of the village. How the matter now stands, may be ascertained from the Dy Commr. In the same Taluk, a sum of Rs. 1,000 was due by Sri Srinivasa Madhava Tirtha Swamy of Maggenhalli Matt, on account of the tank situated in the Jodi Kandathi Komanur village. The Dy Commr. stated that in November 1892, he had recommended the resumption of the Kodaji Inam, in case the contribution was remitted. Further report may be called for as to how the reference has since been disposed of.

Note.
From the papers since obtained from the Govt Records, it is found that the balance of contribution has been remitted by Govt on account of the exceptional circumstances of the famine during which the work was carried out - (P. no. 4624-6 & 9 9 94) H-7155-7.

No further Gr necessary

Note.
References since obtained from the Govt Records show that half of the contribution amount, viz Rs 500, was remitted by Govt as a matter of grace & the other half was ordered to be paid before the end of March 95. (P. no. 13827-. & 15-2-94). This order directed the resumption of the village to Govt in default of payment of the balance by the date fixed. (P 7137-92)

Ascertain how Govt. stands

D Cs no. 866 & 18/4/93
D Cs no 7638 & 13/3/97

Tumkur District. — Up to April 1893, there were 13 tanks irrigating 3838-7 A Gt of Govt land assessed at Rs. 2302, and 561-35 A Gt of Inam land bearing an assessment of Rs. 469 x/-; the proportionate quit-rent payable thereon to Govt being 108 x/-.

x (Excluding the assessment on 79 acres of Inam land in the Kunigal Taluk, which has not been given)

There were 26 Inam tanks, & the extent of Inam lands irrigated thereunder was 1601-11 A G plus 23-4-15 K K bearing an assessment of Rs. 9,103 ⊗; and the extent of lands irrigated under the Govt tanks situated below & above the Inam tanks was 6190-19 A G assessed at 31,234 Rs. The Dy Commr stated that one of the tanks in the Chikkanaikanhalli Taluk was in bad order likely to cause injury to the Govt tank below. May the Dy Commr be requested to report whether the tank is now kept in good repair?

yes

As regards Contribution — (1) The Dy Commr reported that the Kayemguttadars of Achamanahalli in the Pavagada Taluk, having failed to execute repairs to their tank — a feeder of the Govt Nagalapur tank — the same was carried out by Govt at a cost of Rs. 1339. for the recovery of which the village was under Govt management. whether the amount has been received, may be ascertained from the Dy Commr. (2) The Dy Commr stated that a sum of Rs. 14,164 was due by the joint

yes

⊗ Excluding the assessment on 136 acres of Inam land in the Kunigal Taluk, which has not been given.

of Vaddina Tirtapur village
in the Huliyar Sub Taluk
on account of repairs done
to their tank — a feeder
of the Bovankanave reservoir —
& that the amount was to be
levied after the Settlement
of some disputes - May
the Dy Commr be requested
to report whether the dispute
has been Settled. & the amount
recovered.

Mysore District. — (32) According
to the Dy Comm's report of 8 January 1897,
there were 9 tanks⊗ irrigating ⊗ Govt & Inam.
2 A 55 - 25 Gs of Govt land assessed
at Rs. 888/.. and 3 A 15 - 21 Gs of
Inam land assessed at 1134/..
The precise amount of pro-
portionate quit-rent payable
to Govt on the Inam lands, cannot
be stated, as that information
is not given in some cases -
There were 16 Inam tanks,
irrigating 6 A 38 - 15 Gs of Inam
land bearing an assessment
of 2,470/11/2, the above remark
holding good as regards pro-
portionate quit-rent.
The area under Govt tanks
situated below & above the
Inam tanks, was 3,799 acres

assessed at Rs. 12,662/-. The Dy Commr. reported that Sawamangem Rampur village in the Mandya Taluk, was under Govt management for the recovery of the Contribution of Rs. 274/3/- due on account of repairs done to the village tanks. Whether the amount has since been fully received, may be ascertained from that officer.

Hassan District. — According to the Dy Comm'rs report of July 1898, (37) there were 3 tanks irrigating 86-21 of Govt land assessed at Rs. 343 and 191-16 of Inam land bearing an assessment of Rs. 880, the proportionate quit-rent payable thereon to Govt being Rs 364/-. There were 25 Inam tanks, the extent of Inam lands irrigated thereunder being 1489-27 bearing an assessment of 5399 Rs. The area irrigated under the Govt tanks situated below & above the Inam tanks, was 2625-10. assessed at Rs. 11,798/-. In no case Contribution was due by Inamdars on account of repairs to tanks, Govt or Inam executed by Govt

Shimoga District. — According to the Dy Commrs report (3) of Jany 1893 and March 1894, there were 5 tanks irrigating 91 A 13 G of Govt land assessed at Rs. 278-12/ and 82 A 6 G 15 of Inam land bearing an assessment of Rs. 29 85/-. Correct figures have not been given as regards proportionate quit-rent payable to Govt on the Inam lands. There were 3 Inam tanks, the extent of Inam lands irrigated thereunder being 21 A 39 G bearing an assessment of Rs. 52/-. The area irrigated under Govt tanks situated below & above Inam tanks, was 30 A 6 G assessed at Rs. 94/-. There were no cases in which contribution was due by the Inamdars.

Kadur District. The Dy Commrs reply (4) of 6-2-1893 was that detailed circular orders had been issued to all the Amildars all of whom reported that there were no tanks situated in the manner indicated in the Circular Proc.

Chitaldroog District. — According to the Dy Commrs report (2) dated December 1892,

there were 4 tanks irrigating 48 A -16 Cs of Govt land assessed at Rs. 79/ and 147 A -31 Cs of Inam land assessed at 182 Rs, the proportionate quit-rent payable to Govt on the latter being about Rs. 41/-. There were 3 Inam tanks on which some Govt tanks depended for their supply. No extent of Inam lands irrigated under the Inam tanks is not given but the area irrigated under the Govt tanks situated below and above such tanks was 206 A -10 Cs assessed at Rs. 608/-. There were no cases in which contri-bution was due by the Inamdars —

3. The Secretary. D.P.W. to whom also a copy of the Proc. of June 1892 had been forwarded for information, states that

orders have already been passed on the Subject in the Chief Commrs Progs No. 702[×]3-1176 & 17th October 1876 & that these orders have hitherto been followed in dealing with Inam tanks —

× Copy Sent by the Secy. Dt Enclosure to Serial No. 39

4. In para 4 of the Chief Commrs Progs No. 4327/Genl: 128 × & 16.9.1874. it is laid down that the Govt should not interfere with the up-keep of tanks in Inam villages, except in the following two Cases: —

× Printed at page 91 of the Rev: Manual of 1886.

(1) When a tank irrigates land in an Inam village and also in a Govt village, its up-keep should rest with the Govt officers, the Inamdars paying their quota of the cost of such up-keep and of customary labor.

(2) When the tank of an Inam village is in a Series, the Safety of tanks

down below depending on a measure upon its efficient up-keep, the Inamdars should be called upon to put it in a thorough State of repair. The option of executing the work should be left to the owners of Inam villages themselves in the first instance, and when they fail to perform their duty or prefer the Govt agency for the work, the Rev: deptt or the D.P.W should do what is necessary for the safety of the tank. The Size of a tank should not be increased, nor its capacity enlarged, unless such a measure is expressly asked for by the Inamdars concerned.

The Proc: of 17th Oct: 1876 cited by the Secretary D.P.W. while recapitulating the above orders, lays down the following further instructions in regard to the up-keep &c of Inam tanks lying

in a Series with Govt tanks.

1) The repair of Tanks of this class are —

1st, works which provide for the mere Safety of the Govt tank Situated below the Inam tanks and

2nd, works which involve the enlargement of the Storage capacity of Inam tanks —

In the 1st case, the obligation imposed upon Inamdars should be rigidly enforced, provided that when the work involves heavy outlay on weirs & Sluices, the whole or any portion of the Cost of Such work Should be borne by Govt, the quota being determined by the Local Rev: officers Subject to the approval of the Chief Commr.

If the Inamdars concerned fail to carry out the work, at their own option, within a Specified time, the Same Should be executed by the officers of Govt

according to the Sanctioned estimate, the cost being recovered from the Inamdars as a revenue demand -

In the 2d case, the work should not be undertaken by Govt without the Consent of the Inamdar concerned - If he agrees, the work may be carried out by the Inamdar, or by Govt after obtaining due Security from the Inamdar for the payment of such quota of the cost as may be assignable to him - If he does not agree, measures should be taken to provide merely for the Security of the Govt tanks -

5. Govt Proc^s No. 5074-82/130 x of 7th Dec^r 1887, lays down that Inamdars are liable to pay a proportionate share of the cost of the repairs of Govt works of irrigation

x Copy put up

in Common with ordinary
Kaudayem ryots,
that this liability must
be regulated by the rules
in force for the time being
applicable to Govt Ryots,
and that as regards Inam
tanks irrigating Inam as
well as Govt land, the Inam
dars are liable to share with
Govt the Cost of their repairs ~~&c~~
under Rule VI of the Irrigation
Cess Rules and Chief Commrs
Procs No 4327-128 of 16.9.1874.

Rule VI of the Irrigation Cess
Rules directs the enforcement
of the Inamdars' responsibility
for the execution of timely
repairs to their tanks &
for maintaining them
always in a proper condition,
in lieu of their obligation
to pay irrigation cess in res-
pect of wet lands irrigated
under them.

6. The fact that ~~the~~
Inamdars are liable to

to contribute towards the cost of repairs ~~to~~ executed by Govt to Inam as well as Govt tanks, by which they are benefited, has been established by the Standing orders × of 1874 & 1876. But some of the Inamdars seem to contend that under Govt. Pro: No. 5397-417 (D.P.W) 961-81 86-11-1894, they are not liable to contribute towards irrigation works costing less than Rs. 25000/-. This order is applicable only to minor Inamdars.

The next point for decision is in what proportion the Inamdars should pay their share of the cost, & what definite arrangement should be made in the matter. With the object of striking a ratio of contribution leviable from the Inamdars, information under the different

headings noticed above appears not to have been called for in 1892. The Abstract at the end of the statement herewith submitted shews in the aggregate the assessment on the in arrear lands benefited and on Govt lands. But any ratio fixed in the aggregate may differ materially with the ratio arrived at taking each taluk by itself. The most satisfactory way would be to deal with each case on it's individual merits. And in the opinion of the Chief Engineer, no fresh Orders appear to be called for.

Further information on the other points such as what has been done in regard to the Collection of the bal: of Contribution due from the State of Taluk at present - etc. etc: noted above maybe called for.

Govt Proceedings

Govt are often under the necessity of repairing Tanks situated in Inam villages, owing to neglect on the part of the Inamdars to repair them and the consequent danger to the Govt Tanks lying below and there are also Tanks, ~~which are situated in Inam or Govt lands~~ in which Govt and the holders of Inam villages are jointly interested, the lands of Inam and Govt villages being irrigated under the same Tanks. In all such

Cases the Govt. Considers
it necessary to make some
definite arrangement in
regard to the Contributions
payable by the holders of
Inam villages for the
repairs done by Govt.
Before issuing any order
on the subject, the Govt.
wish to know the Number
of Tanks so situated in
each Taluk and the
Revenue derived from the
Lands irrigated by them.
The Dy Comrs. of the several
Districts are therefore
requested to submit as early as possible a
statement showing,
(a) The Number of Tanks in
each Taluk, under which
Lands in Govt. villages
and Inam villages are jointly irrigated
~~jointly~~ ~~indistinct~~

(a) The area, assessment proportionate unit rent of Inam and Govt lands respectively above mentioned irrigated under the Tanks.

(b) The number of Tanks in Inam villages, below which there are any Govt Tanks depending upon the Inamdars' Tanks for their water supply.

(c) The area, assessment proportionate and unit rent of Inam lands irrigated under the above mentioned Tanks (B) and the area and assessment of lands under Govt Tanks below & above.—

(d) The area and assessment of Govt Tanks, above the Inamdars' Tanks, on which the Inamdars Tanks depend for supply.

(a) & proportionate assessment & unit rent of Lands in Inam villages below which there are no Government Tanks, & above which there may be Govt Tanks on which the supply of the Inam Tanks depends, & the area & assessment of the lands under the

to the amount of Contributions
holders of
due by the Inhabitants ~~of~~ villages
to date on account of
any repairs hitherto done
by Govt.

(2) and all such other
further informations as
the Dy Comrs may consider
necessary to enable Govt
to arrive at a decision
in the matter.

LR 100-91-8

Sir,

With reference to Government order No: 4004-12 dated the 2nd June 1892, and your reminder Nos: 12238-44 Cir: 61 R. 1446-93 and 13413-8. dated 17th January and 1st February 1893 respectively, I have the honor to submit herewith a Statement shewing the number of tanks in Inam Villages irrigating Government and Inam lands, Inam tanks above and below Government tanks and Government tanks below and above Inam tanks in the Tumkur District and giving the particulars required.

I have the honor to be,

Sir,

Your most obedient Servant

M. V. Venkataramiah

Deputy Commissioner

1892/93

MYSORE P. W. DEPARTMENT.

No. 1869

From

The Secretary to the Government
of Mysore.

To The Chief Secretary to the
Dewan of Mysore.

Dated Bangalore 4th May 1893.

Despatched

Enclosure No.

Subject.

Under Secretary's No 17880-3/R 2169 dated 26th ultimo (received 2nd instant), requesting an early reply to Government Proceedings No 4004-12 dated 21st June 1892, calling for certain particulars regarding Inam Tanks.

I have the honor to state that the above reminder is not understood, as the Government Proceedings quoted, called for the particulars from ~

Deputy

Deputy Commissioners, copy being sent to this Office only "for information". The subsequent re- quoted have not been received in this Office.

II. Undersigned would however call attention to this Office No. 3015 dated 18th June 1892, (Mw: 3377) in which it was pointed out that orders on the subject have already been passed, and that those orders have hitherto been followed in dealing with Inam Lands.

R No. 4118

Enclosure No. 1

Statement showing the particulars of tanks irrigating lands both in Govt & Inam villages received with his Lr 289 of 14th September 1895

With reference to the above, has the honor to observe that while the No of tanks irrigating lands both in Inam & Govt villages ~~in the Grama Tale Taluk & Belur Taluk has~~ has been entered as 1 & 2 against the Grama Tale Taluk & the Belur Taluk respectively, the area & assessment of the lands irrigated in Govt villages as well as the proportionate quit rent on Inam lands irrigated, have not

been inserted. The remark made by the Dy. Comr that the particulars of Inam lands under Kodiganahalli tank have not been given as the Inamdar is reported to have kept no account thereof, applies to one of the two tanks shown against the Belur Taluk. The information for the other tank should have been furnished. The Dy. Comr is now requested to ascertain by a reference to the Inam or Survey records and furnish the required information in connection with both the tanks.

2 The proportionate quit-rent entered under col 5 against the 7 Inam tanks upon which 6 Govt tanks depend for their water supply in the Hassan Taluk, is Rs. 11-9-4 only, while the assessment on the Inam lands is as high as 2,838 Rs. This requires explanation. Moreover, the area, assessment & proportionate quit-rent on lands in Inam & villages which depend on Govt tanks for their water supply have not been inserted in col 7 for the Hassan Taluk while the area and assessment of lands under the said Govt tanks have been entered under col 8. This omission should also be supplied.

3 No proportionate quit-rents have been entered under col 5 for the Grama Tula Taluk and the Channarayapatna Hole-Narasipur & Arkalgud Taluks.

Mem-91-27

His No 968 98 Dt Instant submitting further information in regard tanks irrigating lands both in Govt & Inam villages.

With reference to para 2 of the above, has the honor to observe that the area & assessment of Inam lands under Govt tanks in Inam villages upon which Govt tanks depend for their water supply, have not been intimated as already required in this Office No 6752 R.F.319-92 of 21st December last. This should be done now. The sum of Rs. 1522 entered as proportionate quit rent under col 12, is now stated to be the quit rent

and additional gods imposed on the village of Tennimalapura. What is required to be given is the proportionate quit-rent on the Inam lands irrigated as above stated and not the full amount of quit-rent on the village itself. Hence I am therefore requested to furnish Correct information should be furnished.

In para 3 of the letter under reply the Deputy Comr requests that the entries made against the Kunigal Taluk in cols 10 & 12 of the statement already submitted to this Office may be struck out as there are no Sirkar tanks depending upon Inam tanks for this water supply. If such be the case, the entries under cols 9, 13, 14 & 15 have also to be expunged. It is not clear how the figures under cols 10 & 12 alone can be struck off retaining the figures under the other cols mentioned above. This point should be made clear.

dated 22d September 1896.

No. 347/292 of 1896-7.

Sir:-

In Docket-No 1750 dated 14 ultimo returning again the Statement of Tanks and observing that the area and assessment of Government lands under Tanks whose Inam Tanks depend for their water supply have not been inserted under column 8 notwithstanding the observations conveyed in the latter part of para 1 of Docket No 1041. dated 29th ult. No 4116

With reference to the above, I have the honour to resubmit the Statement,

and

and to state that there being no lands of the description referred to therein, the Column 6 of the Statement under reference has been left blank.

2. Out of the lands shewn under Column 6 of the statement under reference, the area and assessment of 2 lands against Chowdi Katte Boscheri are good ones, but by a mistake, they were shewn under Column 6 instead of 7, and the same has now been corrected accordingly, the other one being Inam the proportionate quit rent thereof has been shewn in the proper Column.

No. 1219
Enclosures No. One

DEPUTY COMMISSIONER'S OFFICE,
MYSORE DISTRICT,
Dated Mysore January 30 1897.

LRWO-91-32

To

The Secretary to the Government of Mysore,
Revenue and General Departments.

SIR,

In reply to your docket No. 5754 R.J. 319-92 of the 21st December 1895, forwarding a memo pointing out certain discrepancies in the Statement Shewing the particulars of tanks irrigating lands both in Government and inam villages, I have the honor to submit herewith a revised Statement, and to reply as follows to the several queries contained in the memo.

1. The Amildars of Yeddatore, Hegge-dauenkotta, Gundulpet, and Nanjengode taloks have again reported that there are no tanks in their taloks of the kind mentioned in Government proceedings No. 4004-12 Cir. 61 of the 2nd June 1892.

2. It is reported by the Sub division officer, French Rocks, and Amildars, that in the taloks of Chamarajnugger, Mandya, Malavelly, Krishnarajpet, Nagamangala and T. Narsipoor, there are no Government tanks which irrigate

irrigate, lands both in Inam and Govern-
ment villages.

3. It is mentioned in the Memo under reply that quit rent was omitted in some cases in the Statement. No omission had occurred as no quit rent was levied on them.

4. Jodi Kachugerre tank is reported to have breached long ago, and the lands below to be under dry cultivation. Hence the name of the tank and other particulars have now been eliminated from the list.

In the Kayemgutta village of Bharatipura, there are 2 tanks, viz N. Doorumdinakere No 436 and Kerri No 435. These are the inam tanks upon which depends a Government tank named 'Koratageri' for water supply. Above the inam tanks there are 2 Government tanks called Gangavhully and Achamanahully. But the entry of those inam tanks made under Column A was a mistake. It has been rectified in the revised Statement.

5. Somasamudra Kalliterre is itself an inam tank irrigating both the Government and Inam lands. This tank feeds a Government tank

tank named Malegerre below it, but as the inam tank irrigates both the Government and inam lands, it is entered in Column 4.

The inam tank Bhurtipur Oor-mundinakeré has since been entered in Column 6. in the revised Statement 6. The inam tanks, in Consequence of the breach of which the lands under them are under dry cultivation, and all Government tanks which have become independent Subsequent to the breach of such inam tanks above them, have now been omitted in the revised list.

7. I may add that the accompanying revised Statement has been prepared as per instructions Conveyed in paras 7 and 8 of Your memo received with the docket under reply. —

I have the honor to be,
Sir,
Your most obed.t Servt.

Letter No. 896-626, dated 28th July 1876, from do do

No. 7023 - Genl. 1176, dated Bangalore, 17th October 1876.

Order. - In Chief Commissioners Proceedings No. 4327-128 dated 16th September 1874, it was ruled that no interference should be exercised as regards the maintenance of tanks in inam and kayamgutta villages excepting in the following cases, viz.

(1.) When the tank is a common source of irrigation to lands in Government and inam or kayamgutta villages.

(2.) When the tank is one of a series, on the proper upkeep of which depends the safety of tanks below it.

2. The up-keep of tanks of the former class

will devolve upon the Government, the inamdars other than holders of service lands paying their quota of the cost in the proportion of their holdings to the whole area under irrigation.

3. In regard to the tanks of the latter class it will be necessary to distinguish between (1) works which provide for the mere safety of the tank and (2) those which involve the enlargement of its storage capacity.

4. When the object of the work is merely to put a tank in a condition to ensure its security against floods, the obligation imposed upon inamdars must be rigidly insisted upon, with the proviso that when the work involves heavy outlay on weirs and sluices, the whole or any portion of the cost of the latter shall be borne by Government, the quota being determined by the Local Revenue Officers subject to the Chief Commissioner's approval. They may be allowed the option of carrying out the work themselves within a specified period, failing which, after due notice issued to them by the Deputy Commissioner, the necessary work should be executed according to the sanctioned estimate by the Officers of Government and the cost recovered from the inamdars as a revenue arrear.

5. The final measure of taking the work into their own hands, however should not be adopted by the Irrigation Department without the concurrence of the Deputy Commissioner, who should, before according it, satisfy himself that the holder of the inam or kayamgutta village has wilfully

neglected to carry out the work. No pretexts for delay arising from want of co-operation between the shareholders, can however, be admitted.

6. In cases, however, where the proposed work involves an enlargement of the capacity of a tank, it should not be undertaken without the consent of the owner. In the event of his assent being given, the work may be carried out either by himself or Government as may be determined, due security being obtained for the payment by the inamdar of such quota of the cost as may be assignable to him. If, on the other hand, he is not willing that the proposed work should be carried out, measures may be taken to provide wholly for the security of the tank, and the instructions contained in paras 4 and 5 above will be applied to this case.

7. For cases where an inamdar assents to the project for the improvement of his tank but is, in the opinion of the District Officer, without the means of providing the cost, the Chief Commissioner will be prepared, on the recommendation of the Commissioner of the Division and with the sanction of the Government of India, to advance the amount or any portion of it, as a loan to be secured by the assignment of the

revenue of the village which the inamdar holds,
or in such other manner as may be found ex-
pedient.

recovery of which the village was under Govt. management, & that a Sum of Rs. 57-0-4 was due from the Jodidar of Bellur in the Malur Taluk & a Sum of Rs. 750 from the Jodidar of Vadrahalli in the Bowringpet Taluk, for which the Jodidars claimed ~~to be remitted~~ permission. It is further observed that out of ~~the Sum of~~ Rs. 1000 Stated to have been out-Standing against Sri Sri-nivasa Madhava Tirtha-Swami of Maggenahalli matt in the Mulbagal Taluk, a Sum of Rs. 500 was remitted in G. Proc. No. 13829 & 15-2-94, P.T. 137-92 the balance being required to be paid before the end of May 1895, or the village being resumed in default.

3. The Statement of 20th April 1893 received from the Tumkur District. Shews that a con-tribution of Rs. 1339 remained outstanding against the Kayemguttadar of Achan-manahalli in the Pavaga-da Taluk, that for the recovery of this amount

the village was under Govt
management, and that a
Similar Sum of Rs. 14,164
due by the Jodidars of Vaddna
Timlapur village in the Huligar
Sub Taluk, remained to be
recovered after the Settlement
of some disputes.

4. From the Statement of 22d Janry 1897 received from the Dy Commr, Mysore District, it is observed that Sarva-Manyam Rampur village in the Mandya Taluk was under Govt management for the recovery of the contribution of Rs. 274-3-0 due on account of repairs done to the village tank.

5. In the remaining four districts there were no arrears of contribution due from Inamdars -

6. Before passing final orders, the Govt wish to know from the Dy Commrs of the first four districts named above, whether the amount of contributions which were outstanding or which remained to be settled in their

OFFICE OF THE DEPUTY COMMISSIONER

KOLAR DISTRICT.

DATED 22nd May 1902.

From

F. C, CARR, *Esqr.*

Deputy Commissioner,

Kolar District.

To

N. V. Narajunda Ayyar Esqre
Secretary to the Government
of Mysore, Revenue and
General Departments.

Sir,

With reference to Government Proceedings No 9857-64 / R.T. 319-92 dated 8th June 1901 regarding the recovery of arrears of contribution due from Inamdars on account of repairs executed to Government and Inam tanks, I have the honor to state as follows:—

1. Nolali Tank. A sum of Rs:- 6,570. was due from the Jodidars of the Nolali Village in the Kolar Taluk. The whole of this amount

has been recovered in addition to Rs: 98/- forming the subsequent contribution thereon.—

2. Vaddaradahalli Taluk.

On the appeal preferred to Government by the Jodidar, Government were pleased to remit the arrear due in their Proceedings No $\frac{\text{Rev}}{1393}$ dated 18th January 1902

The contribution of Rs: 500/ due after remission, from Sri Srinivasa Madhava Thirthaswami of Majjige halli Mutt in the Nuddagal Taluk, has been recovered and credited to the Treasury during 1895-1896.—

4. The information regarding the contribution from the Jodidar of Billur in the Malur Taluk will be submitted on receipt of reply from the Assistant Commissioner in charge of the Taluk.—

I have the honor to be
